## 2. Main Features

- Portable Speaker with LED
- High Quality Sound Output
- Standard 3.5mm Audio-in Socket
- Battery Playtime: up to 8 hours
- Power Output: 3W

### 3. Accessories

### 4. Device Layout

1. Power Switch
2. Line-in Cable
3. Speaker

### 5. Operation

#### 5.1 Power

Please fully charge the MS315 before first use or if left unused for a long period of time. To charge, use the power cable to connect the speaker to a powered USB port. Whilst charging, the LED lights red and turns off once fully charged.

**Note:** Only use USB charging plugs certified to the relevant local safety standards to charge the speaker.

#### 5.2 Play Music

To play music through the device's speaker, use the supplied 3.5mm audio cable to connect from the headphone socket of your source device, such as a mobile phone or MP3 player, then slide the power switch from "OFF" towards "ON", provided music is playing on your source device, you will now be able to hear it through the speaker.

Dimensions	55x55x53mm
Weight	73g

## 7. Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:

- The warranty is only valid within the country where the product is purchased.
- The product must be correctly installed and operated in accordance to the instructions given in this user manual.
- The product must be used solely for domestic purposes.
- The warranty only covers the main unit, and does not cover the accessories.

- The warranty does not cover the damage caused by misuse, negligence, accident and natural disaster.
- The warranty will be rendered invalid if the product is resold or has been damaged by inexpert repairs. The manufactures disclaim any liability for incidental or consequential damages.
- Please consult our customer adviser before returning any product; we are not responsible for any unexpected product returns.
- Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to, and does not diminish, your statutory or legal rights.

This product is in compliance with the essential requirements and other relevant provisions of Directive 2014/30/EU. The Declaration of conformity may be consulted online at <http://www.augustint.com/en/declaration>.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the

interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**No Unauthorized Modifications:** Do not make any changes or modifications to this product without the prior express written approval of August International Ltd. Any changes or modifications made without express written approval could void the user's authority to operate this product.
